UPHOLSTERY

—

JUNE 2026, EU

The Audo Upholstery Programme provides an overview of the textiles and leathers available for Audo upholstered furniture. All textile and leather options are offered across the full colour range. The programme includes over 100 fabric and leather choices, with the most popular configurations available for expedited delivery through our Quick Ship Programme.

Custom upholstery orders from the Audo Upholstery Programme (SPEC) are produced and ready to ship with standard delivery lead times. The Fixed Combinations listed in this overview are curated upholstery options selected by our design team and are also delivered within standard lead times.

We are pleased to upholster furniture using customers' own materials (COM), subject to fabric approval. Please note that COM orders are supplied with extended delivery lead times. Pricing for COM products is calculated using PC2T for textiles and PC2L for leathers, excluding the cost of the fabric.

Please note that the colour references shown in this upholstery programme are intended as a guide only. For detailed information, please refer to the manufacturers' websites or contact your local Audo Sales Representative to request samples or further assistance.
