Lina

Designed by Boss

Subtle, graceful and elegantly functional, Lina works well as both a laptop table or a side table – adding a tasteful yet simple accent across a range of spaces.

The Lina laptop table slots in effortlessly with a wide range of lounge seating and focus pods in our portfolio. Angled to comfortably accommodate the user, it has the casual poise of an italic letter – elegant, contemporary and subtle in nature.

Coming with a steel tabletop as standard, Lina can be finished in any of the Boss standard colours with a matt finish that doesn't fingerprint. Veneer, laminate, composite and Fenix tops are also available.
