

Reef

Tables

boss

Reef is a collection of tables offering a broad selection of uses across the workplace.

The table base is available with the choice of a 600mm diameter circular base or 500mm x 500mm square base.

Reef is a robust collection with the table base firmly secured to the stem.

Reef offers the specifier a selection of table top options and is designed as a coffee, poseur, meeting or dining height table.

Table Tops

Available in three table top shapes: Circular, Square and Rectangular

Four standard finishes: MFC, MF MDF, High Pressure Laminate & Veneer.

Square or Chamfered edge finish options

See appendix for Boss Design's standard colour-ways

Table Frame & Leg Finishes

Reef is available in 9 different colours, plus a chrome base.

Standard:

- Black - RAL 9005
- White - RAL 9016
- Silver RAL 9006

Optional:

- Grey - RAL 060 60 05
- Dark Blue - RAL 240 20 22
- Light Blue - RAL 220 70 10
- Green - RAL 130 30 20
- Coral - RAL 040 50 50
- Yellow - RAL 070 70 80

Power & Data Management Options

Reef is able to be specified with a variety of power and data options, however we recommend both Pixel and Aircharge units as standard for a central position.

For a full list of power and data **see page 536** for the full range available

For customers own power please contact us for compatibility

Please note: Power is **NOT** available with polished bases

Cable Management

When selecting power and data with a Reef table, a larger steel stem and heightened base is used which allows for the Pixel unit's power cables to be located internally within the stem (shown right, in green).

The power and data cables neatly exit the underside of the raised base ready to be fitted into trunking or other power sockets.

Single Base with Circular Top

Single Base with Square Top

Dual Base Configuration

Aircharge
Black or White

Pixel
1x Power +TUF

With internal cable management located within the stem (when specifying Pixel or Aircharge power units), Reef can be placed directly over any floor power boxes which can help maintain a cable free aesthetic whilst simultaneously hiding most floor power boxes

Detailed Specification

Base and Stem

Reef consists of a steel base and stem, available in the following shapes: Circular Square

Reef is also available in three heights:

- Coffee - H425mm
- Dining - H720mm
- Poseur - H1100mm

Standard frame finishes:

- Black RAL 9005
- Silver RAL 9006

Optional Colours - Additional Up-charge

- Grey - RAL 060 60 05
- Dark Blue - RAL 240 20 22
- Light Blue - RAL 220 70 10
- Green - RAL 130 30 20
- Coral - RAL 040 50 50
- Yellow - RAL 070 70 80

Polished Chrome base

Table Top Detail

25mm Across the whole range available in either circular or square top profiles. Square top profiles are also available with radius corners.

25mm MFC (Melamine Faced Chipboard)

Square or Chamfered Options:

- MF MDF (Melamine Faced Medium Density Fibreboard)
- Veneer
- Fenix
- Laminate

Grain Direction

Grain runs lengthways

Table Power Options

As standard, we recommend the use of a Pixel or Aircharge unit that is located centrally

When specifying a power and data unit, a marginally wider stem is used in order to accommodate the power unit. This stem also allows for the

cabling to be neatly hidden away inside, exiting at the bottom of the base. This allows you to place the table directly over any floor box or trunking for neat and efficient cable management.

Please not that the cost of the pixel displayed on the following pages includes the enhanced base and stem, power unit and top cut out.

Other power options are available however these are priced on a POA basis and require prior approval from our technicians.

A 2m starter cable is supplied as standard however other lengths are available - see page 536 for more information.

Seating Guidelines

Seating guidelines are based on a seat width of 600mm from the edge of the table and are to be used as a guideline only.

For an accurate information specific to a chair in our range, please contact us or download the specific CAD files from our website
