Technical information

UK

Industry Application
Workplace, Education

Composition
100% Polyester

Environment
Certified to OEKO-TEX® Standard 100
Certified to Indoor Advantage™ Gold
Non metallic dyestuffs

Width
140 cm minimum

Weight
285 g/m² ±5% (399 g/lin.m ±5%)

Abrasion Resistance*
Heavy duty / 10 year guarantee
Independently certified to ≥100,000
Martindale cycles

Flammability
EN 1021 - 1 (cigarette)
EN 1021 - 2 (match)
BS 7176 Low Hazard
Note: Flammability performance is dependent on components used. Our certificates show what substrates have been used in our tests. For composite tests customers must ensure their complete furniture meets the necessary standards.

Light Fastness
6 (ISO 105 - B02)

Fastness to Rubbing
Wet: 4, Dry: 4 (ISO 105 - X12)

Bleach Cleanable
ISO 105 E03 colour change 4 for dilution factor 1:4 chlorine solution

Cleaning
Vacuum regularly. Wipe with a damp cloth using soap and water or use proprietary upholstery shampoo. For deeper cleaning use steam, bleach, alcohol or professionally dry clean. Can be washed at 60°C. Full details can be found in our cleaning and disinfection guide.

*Abrasion testing produces a wide variability of results even from the same test sample. The independent certificate of ≥100,000 cycles is available on our website or from our customer service team. Internally we also specify this product at >100,000 cycles which we believe is realistic for repeatability of testing. Please be aware that abrasion testing alone is not a reliable indicator of the actual wear performance of fabrics. We're so confident in the durability of our products that we provide a robust 10 year guarantee (full details available). Please note that seam performance is dependent on seam construction and needle and thread type. We recommend that appropriate sewing advice be taken. Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

Reinigung
Regelmässig absaugen. Mit einem feuchten Tuch mit Wasser und Seife abwischen oder mit einem geeigneten Polstershampoo behandeln. Für eine Grundreinigung bitte Dampf, Chlorbleiche, Alkohol oder professionelle Trockenreinigung verwenden. Kann bei 60°C gewaschen werden. Weitere Informationen finden Sie in unserem Leitfaden zur Reinigung und Desinfektion.

*Die Scheuerfestigkeitsprüfung ergibt selbst bei gleichen Testmustern stark abweichende Ergebnisse. Das Zertifikat eines unabhängigen Prüfinstitutes über ≥100,000 Scheuertouren erhalten Sie von unserem Vertriebsinnendienst oder auf unserer Webseite. Intern spezifizieren wir auch dieses Produkt mit >100,000 Scheuertouren, die in der Serienfertigung als realistisch angenommen werden. Bitte nehmen Sie zur Kenntnis, dass die Scheuerfestigkeitsprüfung allein keine Aussagekraft über die Langlebigkeit eines Bezugsstoffes hat. Wir sind von der Langlebigkeit unserer Produkte überzeugt und bieten daher 10 Jahre Garantie (Details auf Anfrage). Eine optimale Nahtausrüstungsfestigkeit hängt von der Nahtfahne, der verwendeten Nadel und dem Näh-Garn ab. Wir empfehlen daher Nähversuche durchzuführen. Handelsübliche Farbabweichungen können auftreten und berechtigen nicht zur Reklamation. Wir behalten uns die Änderung technischer Spezifikationen vor. Die registrierten und nicht registrierten Urheberrechte der Designierungen sind ausschliessliches Eigentum der Camira Fabrics Limited.

Solidité au frottement
Mouillé: 4, Sec: 4 (ISO 105 - X12)

Nettoyable au javel
ISO 105 E03 changement de couleur 4 pour le facteur de dilution 1: 4 solution de chlore

Nettoyage
Passez l'aspirateur régulièrement. Essuyez avec un chiffon humide avec de l'eau et du savon ou utilisez un shampooin pour tissus d'ameublement exclusif. Pour un nettoyage en profondeur, utilisez la vapeur, javel, alcool ou un nettoyage à sec professionnel. Peut être lavé à la machine, programme maximum 60°C. Vous trouverez tous les détails dans notre guide de nettoyage et de désinfection.

*Les tests de résistance à l'abrasion proposent une large variété de résultat final, parfois sur le même échantillon de tissu. Le certificat indépendant de ≥100,000 cycles est disponible sur notre site internet; vous pouvez également contacter notre Service Clients. Nous validons également – en interne – à >100,000 cycles; ce qui est, d'après nous, plus réaliste dans le but d'obtenir une continuité égale des résultats de tests. Merci de noter que l'abrasion seule ne constitue pas un indicateur de confiance dans la performance du tissu à long terme. Nous avons une confiance absolue en nos produits et leur durabilité, c'est pour cela que nous vous offrons une garantie robuste de 10 ans. Veuillez noter que la performance du joint dépend de sa construction ainsi que de l'aiguille et du type de fil utilisés. Une variation de couleurs peut provenir (commerciallement tolérable). Nous réservons le droit de changer les spécifications techniques sans préavis. Les Droits de Conception non-enregistrés et les droits d'auteur de tous les motifs sont la propriété exclusive de Camira Fabrics Limited.

Year guarantee

X2 provides stretch, flammability and abrasion performance in an unobtrusive background grey mélange effect. The subtle dark tones create texture and dimension within a playful colour palette of brights through to subtle neutrals. The mottled appearance is also a practical solution to aid appearance retention.

X2 was our first 100% recycled fabric to include closed loop content. 25% of the raw material is derived from our own waste streams, specifically polyester selvages and yarn remnants.

Clean and Care recommendations

Reinigungs- und Pflegehinweise / Recomendaciones de uso y limpieza

- With a clean cloth, gently remove the liquid spilled.
- In case of dry soil, use a vacuum cleaner.

- Mit einem sauberen Tuch entfernen Sie vorsichtig die verschüttete Flüssigkeit.
- Trockene Verunreinigungen lassen sich leicht abbürsten oder absaugen.
- Con un paño limpio, retire con cuidado el líquido derramado.
- En caso de suciedad seca, utilice una aspiradora.

- Frequent wash may affect the performance of the treatment Hydro Care.
- The analytical results are referred only to the sample tested.
- Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims.
- Colour migration may occur.
- Pilling is a natural phenomenon that occurs due to daily use and frequent washing and cannot be avoided.
- We reserve the right to modify, at any moment and without notice any product specifications.
- Häufiges Waschen kann die spezielle Ausrüstung des Artikels negativ beeinflussen Hydro Care.
- Die Testergebnisse beziehen sich nur auf ein extra für den Test zur Verfügung gestelltes Musterstück.
- Bei dunklen und intensiven Farben kann es zu Farb pigment-Wanderung und Farbabrieb kommen. Dies stellt keinen Reklamationsgrund dar.
- Bei intensiven Farben kann es zu Ablagerungen kommen.
- Pilling ist ein natürliches Phänomen, das durch den täglichen Gebrauch und häufiges Waschen entsteht und sich nicht vermeiden lässt.
- Wir behalten uns vor jederzeit und ohne Ankündigung Produktänderungen vorzunehmen.
- Lavados frecuentes podrían afectar a las propiedades del tratamiento Hydro Care.
- Los resultados analíticos se refieren sólo a la muestra analizada.
- La decoloración y las desviaciones de color toleradas en estándares industriales permitidos, no constituyen motivo de reclamación.
- Migraciones de color pueden ocurrir.
- Pilling es un fenómeno natural que ocurre con el uso diario, los lavados frecuentes y no se puede evitar.
- Nos reservamos el derecho de modificar, en cualquier momento y sin previo aviso, las especificaciones de los productos.

Clean and Care recommendations

Reinigungs- und Pflegehinweise / Recomendaciones de uso y limpieza

- Frequent wash may affect the performance of the treatment **Anti-Stain - Liquid Repellent**.
- Any stain, spills or soiling should be cleaned up promptly with a neutral soap solution using a cloth in smooth circular movements.
- We do not accept responsibility for any damage resulting from inappropriate use, chemical cleaning or additional impregnation.
- Häufiges Waschen kann die spezielle Ausrüstung des Artikels negativ beeinflussen **Anti-Flecken - Flüssigkeitsabweisend**.
- Verschmutzungen können mit einer neutralen Seifenlösung gereinigt werden. Hierzu die Lösung auf ein sauberes Tuch geben, in kreisenden Bewegungen von außen nach innen einarbeiten und anschließend glatt streichen.
- Für etwaige Schäden aus unsachgemäßer Reinigung oder zusätzlicher Imprägnierung übernehmen wir keine Haftung.
- Lavados frecuentes podrían afectar a las propiedades del tratamiento **Antimanchas - Hidrorepelente**.
- Cualquier mancha, derrame o suciedad, debe limpiarse rápidamente con una solución de jabón neutro, utilizando un paño tratando en movimientos circulares suaves.
- No aceptamos responsabilidad alguna de daños resultantes por uso inapropiado, limpieza química o impregnación adicional.

- The analytical results are referred only to the sample tested.
- Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims.
- Colour migration may occur.
- We reserve the right to modify, at any moment and without notice any product specifications.
- Die Testergebnisse beziehen sich nur auf ein extra für den Test zur Verfügung gestelltes Musterstück.

Clean and Care recommendations

Reinigungs- und Pflegehinweise / Recomendaciones de uso y limpieza

Option available with hydro repellent treatment:

- With a clean cloth, gently remove the liquid spilled.
- In case of dry soil, use a vacuum cleaner.

- Mit einem sauberen Tuch entfernen Sie vorsichtig die verschüttete Flüssigkeit.
- Trockene Verunreinigungen lassen sich leicht abbürsten oder absaugen.
- Con un paño limpio, retire con cuidado el líquido derramado.
- En caso de suciedad seca, utilice una aspiradora.
- Frequent wash may affect the performance of the treatment **Hydro Care**.
- The analytical results are referred only to the sample tested.
- Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims.
- Colour migration may occur.
- We reserve the right to modify, at any moment and without notice any product specifications.
- Häufiges Waschen kann die spezielle Ausrüstung des Artikels negativ beeinflussen **Hydro Care**.
- Die Testergebnisse beziehen sich nur auf ein extra für den Test zur Verfügung gestelltes Musterstück.
- Bei dunklen und intensiven Farben kann es zu Farbpigment-Wanderung und Farbabrieb kommen. Dies stellt keinen Reklamationsgrund dar.
- Bei intensiven Farben kann es zu Abfärbungen kommen.
- Wir behalten uns vor jederzeit und ohne Ankündigung Produktänderungen vorzunehmen.
- Lavados frecuentes podrían afectar a las propiedades del tratamiento **Hydro Care**.
- Los resultados analíticos se refieren sólo a la muestra analizada.

Clean and Care recommendations

Reinigungs- und Pflegehinweise / Recomendaciones de uso y limpieza

- Frequent wash may affect the performance of the product.
- To remove dust use a vacuum cleaner.
- Any stain, spills or soiling should be cleaned up promptly with a neutral soap solution using a cloth in smooth circular movements.
- We do not accept responsibility for any damage resulting from inappropriate use, chemical cleaning or additional impregnation.
- Häufiges Waschen kann die Qualität des Artikels beeinflussen.
- Entfernen Sie Hausstaub einfach durch Absaugen bei geringer Saugstärke und unter Verwendung einer weichen Polsterdüse.
- Verschmutzungen können mit einer neutralen Seifenlösung gereinigt werden. Hierzu die Lösung auf ein sauberes Tuch geben, in kreisförmigen Bewegungen von außen nach innen einarbeiten und anschließend glatt streichen.
- Für etwaige Schäden aus unsachgemäßer Reinigung oder zusätzlicher Imprägnierung übernehmen wir keine Haftung.
- Lavados frecuentes podrían afectar a las propiedades del artículo.
- Para eliminar el polvo usar una aspiradora.
- Cualquier mancha, derrame o suciedad, debe limpiarse rápidamente con una solución de jabón neutro, utilizando un paño frotando en movimientos circulares suaves.
- No aceptamos responsabilidad alguna de daños resultantes por uso inapropiado, limpieza química o impregnación adicional.
- The analytical results are referred only to the sample tested.
- Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims.
- Colour migration may occur.
- We reserve the right to modify, at any moment and without notice any product specifications.
- Die Testergebnisse beziehen sich nur auf ein extra für den Test zur Verfügung gestelltes Musterstück.
- Bei dunklen und intensiven Farben kann es zu Farbpigment - Wanderung und Farbbreite kommen. Dies stellt keinen Reklamationsgrund dar.
- Bei intensiven Farben kann es zu Abblättern kommen.
- Wir behalten uns vor jederzeit und ohne Ankündigung Produktänderungen vorzunehmen.
- Los resultados analíticos se refieren sólo a la muestra analizada.
- La decoloración y las desviaciones de color toleradas en estándares industriales permitidos, no constituyen motivo de reclamación.
- Migraciones de color pueden ocurrir.
- Nos reservamos el derecho de modificar, en cualquier momento y sin previo aviso, las especificaciones de los productos.

Descripción	Una nueva colección llegada para convertirse en indispensable por su relación calidad precio. Apto para cualquier sector: Contract, Home, Oficina... Su diseño y su hilado (hecho a medida para conseguir sus propiedades Stretch), hacen que el mobiliario una vez tapizado con esta calidad voluminice y destaque su forma. Especialmente apto para suavizar las líneas rectas del mobiliario Soft Seating. La extensa gama cromática de la calidad VISUAL F.R. y VISUAL MELANGE F.R. (52 colores en total), combinan sus colores, pudiendo realizar tapizados combinando las 2 calidades. Esta calidad puede ser suministrada también en hilo reciclado (Certificación G.R.S.) o Trevira C.S a petición de nuestros clientes. Consultar cantidades mínimas a fabricar.	Description	A new collection has arrived to become essential due to the great value for money. Suitable for any sector: Contract, Home, Office... Its design and yarn (made to measure to obtain its stretch properties), with this quality, once upholstered, gives the furniture body and enhances its form. Especially suitable for smoothing down the straight lines of Soft Seating furniture. The extensive colour range of the VISUAL F.R. and VISUAL MELANGE F.R. quality (52 colours in all) combine their colours, making it possible to upholster combining the 2 qualities. This quality can also be supplied in recycled yarn (GRS certification) or Trevira CS at the request of our clients. Consult minimum manufacturing amounts.	La description	Voici une nouvelle collection dont le rapport qualité/prix lui donne toutes les chances de devenir une alliée indispensable pour n'importe quel secteur : Contract, ameublement intérieur, bureau, etc. Grâce au motif et au tissage (réalisé sur mesure pour donner à cette belle matière ses propriétés élastiques), la collection donne du volume au mobilier une fois tapissé, tout en mettant sa forme en valeur. Cette collection est particulièrement conçue pour adoucir les lignes droites du mobilier Soft Seating. La vaste gamme chromatique des collections VISUAL F.R. et VISUAL MELANGE F.R. (52 couleurs en tout) permet de créer de nombreuses alliances et de réaliser des tapisseries qui combinent ces deux qualités. Nous sommes en mesure de fournir cet article aussi en fil recyclé (certification GRS) ou Trevira CS à la demande de nos clients. N'hésitez pas à nous contacter pour connaître les quantités minimales de fabrication.

Recomendaciones de limpieza, uso y mantenimiento

Mantenimiento Limpiar con aspiradora frecuentemente. En caso de manchas utilizar un paño húmedo con jabón neutro adecuado para la limpieza de productos de tapicería.

Estaremos encantados de atenderles en caso de cualquier duda que pueda surgir al respecto de esta u otra información

Cleaning, use and maintenance recommendations

Maintenance Vacuum regularly. In case of stains, use a damp cloth with neutral soap suitable for cleaning of upholstery products.

We would be delighted to attend to you if you have any doubt that may arise regarding this or other information.

Recommandations de nettoyage, d'utilisation et d'entretien

Maintenance Nettoyez-le fréquemment avec un aspirateur. En cas de taches, utilisez un chiffon humide avec du savon neutre spécialement indiqué pour le nettoyage de produits de tapisserie.

Nous serons ravis de donner suite à vos demandes, et notamment de répondre aux doutes que vous pourriez avoir au sujet de ces informations ou autres

Year guarantee

Urban takes its inspiration from the street. It has a sharply styled architectural look with clean lines forming a structured geometric grid pattern reminiscent of a downtown urban cityscape.

Lightly textured, there's an almost industrial metallic sheen to the freshly themed colourways which work with both Xtreme and Lucia.

Technical information

UK

Industry Application

Workplace, Education,
Hospitality & Leisure
When TriOnyx™ treated: Healthcare

Composition

100% Recycled Flame Retardant
Polyester

Environment

Certified to the EU Ecolabel
Certified to OEKO-TEX® Standard 100
Made from 100% recycled polyester
Non metallic dyestuffs

Width

140 cm minimum

Weight

340 g/m² ±5% (476 g/lin.m ±5%)

Abrasion Resistance*

(over CMHR 58kg/m³ foam)
UNI 9175 Classe 1 IM
*Note: Flammability performance is
dependent on components used. Our
certificates show what substrates have
been used in our tests. For composite
tests customers must ensure their
complete furniture meets the necessary
standards.*

Light Fastness

6 (ISO 105 - B02)

Fastness to Rubbing

Wet: 4, Dry: 4 (ISO 105 - X12)

Bleach Cleanable

ISO 105 E03 colour change 4 for dilution
factor 1:4 chlorine solution

Cleaning

Vacuum regularly. Wipe with a damp cloth
using soap and water or use proprietary
upholstery shampoo. For deeper cleaning
use steam, bleach, alcohol or
professionally dry clean. Can be washed
at 60°C. Full details can be found in our
cleaning and disinfection guide.

*Abrasion testing produces a wide variability
of results even from the same test sample. The
independent certificate of ≥100,000 cycles is
available on our website or from our customer
service team. Internally we also specify this product
to >100,000 cycles which we believe is realistic
for repeatability of testing. Please be aware that
abrasion testing alone is not a reliable indicator
of the actual wear performance of fabrics. We're
so confident in the durability of our products that
we provide a robust 10 year guarantee (full details
available).
Please note that seam performance is dependent
on seam construction and needle and thread type.
We recommend that appropriate sewing advice
be taken.
Batch to batch variations in shade may occur
within commercial tolerances. We reserve the right
to alter technical specifications without notice. The
Unregistered Design Rights and the Copyright in
all designs are the exclusive property of Camira
Fabrics Limited.

verdünnten Chlor-Lösung

Reinigung

Regelmässig absaugen. Mit einem
feuchten Tuch mit Wasser und Seife
abwischen oder mit einem geeigneten
Polstershampoo behandeln. Für eine
Grundreinigung bitte Dampf,
Chlorbleiche, Alkohol oder professionelle
Trockenreinigung verwenden. Kann bei
60°C gewaschen werden. Weitere
Informationen finden Sie in unserem
Leitfaden zur Reinigung und Desinfektion.

*Die Scheuerfestigkeitsprüfung ergibt selbst
bei gleichen Testmustern stark abweichende
Ergebnisse. Das Zertifikat eines unabhängigen
Prüfinstituts über ≥100,000 Scheuertouren
erhalten Sie von unserem Vertriebsnendienst
oder auf unserer Webseite. Intern spezifizieren wir
auch dieses Produkt mit >100,000 Scheuertouren,
die in der Serienfertigung als realistisch
angenommen werden. Bitte nehmen Sie zur
Kenntnis, dass die Scheuerfestigkeitsprüfung allein
keine Aussagekraft über die Langlebigkeit eines
Bezugstoffes hat. Wir sind von der Langlebigkeit
unserer Produkte überzeugt und bieten daher 10
Jahre Garantie (Details auf Anfrage).
Eine optimale Nahtausreissfestigkeit hängt von
der Nahtfahne, der verwendeten Nadel und dem
Nah-Garn ab. Wir empfehlen daher Näversuche
durchzuführen.
Handelsübliche Farbabweichungen können
auftreten und berechtigen nicht zur Reklamation.
Wir behalten uns die Änderung technischer
Spezifikationen vor. Die registrierten und nicht
registrierten Urheberrechte der Dessinierungen

Nettoyage

Passez l'aspirateur régulièrement.
Essayez avec un chiffon humide avec de
l'eau et du savon ou utilisez un
shampooing pour tissus d'ameublement
exclusif. Pour un nettoyage en profondeur,
utilisez la vapeur, javel, alcool ou un
nettoyage à sec professionnel. Peut être
lavé à la machine, programme maximum
60°C. Vous trouverez tous les détails dans
notre guide de nettoyage et de
désinfection.

*Les tests de résistance à l'abrasion proposent une
large variété de résultats final, parfois sur le même
échantillon de tissu. Le certificat indépendant
de ≥100,000 cycles est disponible sur notre site
internet; vous pouvez également contacter notre
Service Clients. Nous validons également – en
interne – à >100,000 cycles; ce qui est, d'après
nous, plus réaliste dans le but d'obtenir une
continuité égale des résultats de tests. Merci de
noter que l'abrasion seule ne constitue pas un
indicateur de confiance dans la performance du
tissu à long terme. Nous avons une confiance
absolue en nos produits et leur durabilité, c'est
pour cela que nous vous offrons une garantie
robuste de 10 ans.
Veuillez noter que la performance du joint dépend
de sa construction ainsi que de l'aiguille et du type
de fil utilisés.
Une variation de couleurs peut provenir
(commerciallement tolérable). Nous réservons le
droit de changer les spécifications techniques sans
préavis. Les Droits de Conception non-enregistrés
et les droits d'auteur de tous les motifs sont la
propriété exclusive de Camira Fabrics Limited.

Limpieza

Uso aspirando regularmente. Limpiar con
un trapo usando jabón y agua o producto
limpieza para tapicerías. Para una
limpieza más profunda usen vapor, lejía,
alcohol o limpieza en seco. Se puede
lavar a 60°C. Los detalles completos se
encuentran en nuestra guía de limpieza y
desinfección.

*The Test of Abrasion produces unos resultados
muy variables incluso con la misma muestra. El
certificado de ≥100,000 ciclos Martindale está
disponible en nuestra web o se puede pedir al
Departamento Comercial. Internamente también
certificamos este producto >100,000 ciclos,
que pensamos que es lo más realista posible
en este caso, con una repetición de resultados
tan dispares. Tengan en cuenta que el Test de
Abrasión solo no es un indicador fiable sobre el
desgaste de un tejido. De hecho, estamos tan
convencidos en la durabilidad de nuestros tejidos,
que ofrecemos una garantía de 10 años (detalles
completos disponibles).
Tenga en cuenta que el rendimiento de la costura
depende de la construcción de la costura, además
de la aguja y del tipo de rosca. Le recomendamos
que se aconsejen para coser la costura.
Las variaciones de lote a lote en la sombra
se puede producir dentro de tolerancias
comerciales. Nos reservamos el derecho a
efectuar modificaciones técnicas sin previo aviso.
Los derechos sobre los diseños no registrados y
los derechos de autor en todos los diseños son
propiedad exclusiva de Camira Fabrics Limited.

Vita is a leather-look vinyl, with a subtle surface grain effect and full matt appearance. It provides maximum protection for heavy duty end-use areas in sectors such as contract, healthcare and hospitality. It is available in a broad palette of 51 considered colourways, designed to enhance and connect with other Camira products, including the Halcyon Collection of treated fabrics.

Vita does not contain phthalate plasticisers or heavy metals, yet remains soft, stretchy and pliable.

Year guarantee

Xtreme is a modern crepe weave fabric made from 100% post-consumer recycled polyester, diverting waste from landfill and saving virgin raw materials. Its stretch properties, coupled with high flame retardancy, durability and non-pilling properties make Xtreme an ever popular fabric for task seating.

Technical information

Fastness to Rubbing

Wet: 4, Dry: 4 (ISO 105 - X12)

Cleaning

Washable to 60°C. Vacuum regularly.
Wipe clean with a damp cloth or shampoo
using proprietary upholstery shampoo.

*Abrasion testing produces a wide variability of results even from the same test sample. The independent certificate of ≥100,000 cycles is available on our website or from our customer service team. Internally we also specify this product at >100,000 cycles which we believe is realistic for repeatability of testing. Please be aware that abrasion testing alone is not a reliable indicator of the actual wear performance of fabrics. We're so confident in the durability of our products that we provide a robust 10 year guarantee (full details available).
Please note that seam performance is dependent on seam construction and needle and thread type. We recommend that appropriate sewing advice be taken.
Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

*Los Test de Abrasión producen unos resultados muy variables incluso con la misma muestra. El certificado de ≥100,000 ciclos Martindale está disponible en nuestra web o se puede pedir al Departamento Comercial. Internamente también certificamos este producto >100,000 ciclos, que pensamos que es lo más realista posible en este caso. Con una repetición de resultados tan dispares. Tengan en cuenta que el Test de Abrasión solo no es un indicador fiable sobre el desgaste de un tejido. De hecho, estamos tan convencidos en la durabilidad de nuestros tejidos, que ofrecemos una garantía de 10 años (detalles completos disponibles).
Tenga en cuenta que el rendimiento de la costura depende de la construcción de la costura, además de la aguja y del tipo de rosca. Le recomendamos que se aconsejen para coser la costura.
Las variaciones de lote a lote en la sombra se puede producir dentro de tolerancias comerciales. Nos reservamos el derecho a efectuar modificaciones técnicas sin previo aviso. Los derechos sobre los diseños no registrados y los derechos de autor en todos los diseños son propiedad exclusiva de Camira Fabrics Limited.

Reinigungs- und Pflegehinweise / Recomendaciones de uso y limpieza

WASH

BLEACH

DRY

IRON

DRYCLEAN

- Frequent wash may affect the performance of the product.
- Any stain, spills or soiling should be cleaned up promptly with a neutral soap solution using a cloth in smooth circular movements.
- We do not accept responsibility for any damage resulting from inappropriate use, chemical cleaning or additional impregnation.

- Häufiges Waschen kann die Qualität des Artikels beeinflussen.
- Verschmutzungen können mit einer neutralen Seifenlösung gereinigt werden. Hierzu die Lösung auf ein sauberes Tuch geben, in kreisenden Bewegungen von außen nach innen einarbeiten und anschließend glatt streichen.
- Für etwaige Schäden aus unsachgemäßer Reinigung oder zusätzlicher Imprägnierung übernehmen wir keine Haftung.
- Lavados frecuentes podrían afectar a las propiedades del artículo.
- Cualquier mancha, derrame o suciedad, debe limpiarse rápidamente con una solución de jabón neutro, utilizando un paño frotando en movimientos circulares suaves.
- No aceptamos responsabilidad alguna de daños resultantes por uso inapropiado, limpieza química o impregnación adicional.

- The analytical results are referred only to the sample tested.
- Discoloration and colour deviations tolerated by permissible industrial standards do not constitute reasons for claims.
- Colour migration may occur.
- Pilling is a natural phenomenon that occurs due to daily use and frequent washing and cannot be avoided.
- We reserve the right to modify, at any moment and without notice any product specifications.

- Die Testergebnisse beziehen sich nur auf ein extra für den Test zur Verfügung gestelltes Musterstück.
- Bei dunklen und intensiven Farben kann es zu Farbpigment-Wanderung und Farbabbau kommen. Dies stellt keinen Reklamationsgrund dar.
- Bei intensiven Farben kann es zu Abfärbungen kommen.
- Pilling ist ein natürliches Phänomen, das durch den täglichen Gebrauch und häufiges Waschen entsteht und sich nicht vermeiden lässt.
- Wir behalten uns vor jederzeit und ohne Ankündigung Produktänderungen vorzunehmen.

- Los resultados analíticos se refieren sólo a la muestra analizada.
- La decoloración y las desviaciones de color toleradas en estándares industriales permitidos, no constituyen motivo de reclamación.
- Migraciones de color pueden ocurrir.
- Pilling es un fenómeno natural que ocurre con el uso diario, los lavados frecuentes y no se puede evitar.
- Nos reservamos el derecho de modificar, en cualquier momento y sin previo aviso, las especificaciones de los productos.

Optional: Please specify when ordering:

BS 5852 Ignition Source 5 when FR
treated
BS 7176 Medium Hazard when FR treated
BS 5867-2 Type B Curtains & Drapes
when FR treated

Note: Flammability performance is dependent on components used. Our certificates show what substrates have been used in our tests. For composite tests customers must ensure their complete furniture meets the necessary standards.

Light Fastness

5 (ISO 105 - B02)

Fastness to Rubbing

Wet: 4, Dry: 4 (ISO 105 - X12)

Cleaning

Vacuum regularly. Wipe with a damp cloth using soap and water or use proprietary upholstery shampoo. For deeper cleaning use steam or professionally dry clean. Full details can be found in our cleaning and disinfection guide.

*Abrasion testing produces a wide variability of results even from the same test sample. The independent certificate of ≥50,000 cycles is available on our website or from our customer service team. Internally we specify this product at >35,000 cycles which we believe is realistic for repeatability of testing. Please be aware that abrasion testing alone is not a reliable indicator of the actual wear performance of fabrics. We're so confident in the durability of our products that we provide a robust 10 year guarantee (full details available). Please note that seam performance is dependent on seam construction and needle and thread type. We recommend that appropriate sewing advice be taken. Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

Reinigung

Regelmässig absaugen. Mit einem feuchten Tuch mit Wasser und Seife abwischen oder mit einem geeigneten Polstershampoo behandeln. Für eine Grundreinigung bitte Dampf oder professionelle Trockenreinigung verwenden. Weitere Informationen finden Sie in unserem Leitfaden zur Reinigung und Desinfektion.

*Die Scheuerfestigkeitsprüfung ergibt selbst bei gleichen Testmustern stark abweichende Ergebnisse. Das Zertifikat eines unabhängigen Prüfinstituts über ≥50,000 Scheuertouren erhalten Sie von unserem Vertriebsinnendienst oder auf unserer Webseite. Intern spezifizieren wir dieses Produkt mit >35,000 Scheuertouren, die in der Serienfertigung als realistisch angenommen werden. Bitte nehmen Sie zur Kenntnis, dass die Scheuerfestigkeitsprüfung allein keine Aussagekraft über die Langlebigkeit eines Bezugsstoffes hat. Wir sind von der Langlebigkeit unserer Produkte überzeugt und bieten daher 10 Jahre Garantie (Details auf Anfrage). Eine optimale Nahtausreissfestigkeit hängt von der Nahtfähe, der verwendeten Nadel und dem Näh-Garn ab. Wir empfehlen daher Näversuche durchzuführen. Handelsübliche Farbabweichungen können auftreten und berechtigen nicht zur Reklamation. Wir behalten uns die Änderung technischer Spezifikationen vor. Die registrierten und nicht registrierten Urheberrechte der Designierungen sind ausschliessliches Eigentum der Camira Fabrics Limited.

Nettoyage

Passez l'aspirateur régulièrement. Essayez avec un chiffon humide avec de l'eau et du savon ou utilisez un shampooing pour tissus d'ameublement exclusif. Pour un nettoyage en profondeur, utilisez la vapeur ou un nettoyage à sec professionnel. Vous trouverez tous les détails dans notre guide de nettoyage et de désinfection.

*Les tests de résistance à l'abrasion proposent une large variété de résultat final, parfois sur le même échantillon de tissu. Le certificat indépendant de ≥50,000 cycles est disponible sur notre site internet; vous pouvez également contacter notre Service Clients. Nous validons ce produit - en interne - à >35,000 cycles; ce qui est, d'après nous, plus réaliste dans le but d'obtenir une continuité égale des résultats de tests. Merci de noter que l'abrasion seule ne constitue pas un indicateur de confiance dans la performance du tissu à long terme. Nous avons une confiance absolue en nos produits et leur durabilité, c'est pour cela que nous vous offrons une garantie robuste de 10 ans. Veuillez noter que la performance du joint dépend de sa construction ainsi que de l'aiguille et du type de fil utilisés. Une variation de couleurs peut provenir (commerciallement tolérable). Nous réservons le droit de changer les spécifications techniques sans préavis. Les Droits de Conception non-enregistrés et les droits d'auteur de tous les motifs sont la propriété exclusive de Camira Fabrics Limited.

Blazer is a classic pure new wool upholstery fabric with a billiard cloth felted finish. It is made from premium New Zealand lambswool, where responsible farming provides the highest quality raw material which is soft, clean and bright, which is ideal for spinning, weaving and dyeing. The colour palette is an exciting mix of solids and mélanges across the full colour spectrum, creating a versatile fabric suitable for wide-ranging furniture applications.

Nettoyage

Essayez l'aspirateur régulièrement. Passez avec un chiffon humide avec de l'eau et du savon ou utilisez un shampooing pour tissus d'ameublement exclusif. Pour un nettoyage en profondeur, utilisez la vapeur ou un nettoyage à sec professionnel. Vous trouverez tous les détails dans notre guide de nettoyage et de désinfection.

*Les tests de résistance à l'abrasion proposent une large variété de résultat final, parfois sur le même échantillon de tissu. Le certificat indépendant de ≥50,000 cycles est disponible sur notre site internet; vous pouvez également contacter notre Service Clients. Nous validons ce produit – en interne – à >20,000 cycles; ce qui est, d'après nous, plus réaliste dans le but d'obtenir une continuité égale des résultats de tests. Merci de noter que l'abrasion seule ne constitue pas un indicateur de confiance dans la performance du tissu à long terme. Nous avons une confiance absolue en nos produits et leur durabilité, c'est pour cela que nous vous offrons une garantie robuste de 10 ans.

Veuillez noter que la performance du joint dépend de sa construction ainsi que de l'aiguille et du type de fil utilisés.

Une variation de couleurs peut provenir (commerciallement tolérable). Nous réservons le droit de changer les spécifications techniques sans préavis. Les Droits de Conception non-enregistrés et les droits d'auteur de tous les motifs sont la propriété exclusive de Camira Fabrics Limited.

BS 5867-2: Type B Curtains & Drapes estando con tratamiento FR

Note: El rendimiento de la inflamabilidad depende de los componentes usados. Nuestros certificados muestran qué substratos se han usado en nuestros tests. Para tests compuestos nuestros clientes deben asegurar si sus muebles cumplen la normativa al uso.

Solidez a la luz

5 (ISO 105 - B02)

Solidez al rozamiento

Húmedo: 4, Seco: 4 (ISO 105 - X12)

Limpeza

Uso aspirador regularmente. Limpiar con un trapo usando jabón y agua o producto limpieza para tapicerías. Para una limpieza más profunda usar vapor o limpieza en seco profesional. Los detalles completos se encuentran en nuestra guía de limpieza y desinfección.

*Los Test de Abrasión producen unos resultados muy variables incluso con la misma muestra. El certificado de ≥50,000 ciclos Martindale está disponible en nuestra web o se puede pedir al Departamento Comercial. Internamente certificamos este producto >20,000 ciclos, que pensamos que es lo más realista posible en este caso, con una repetición de resultados tan dispares. Tengan en cuenta que el Test de Abrasión solo no es un indicador fiable sobre el desgaste de un tejido. De hecho, estamos tan convencidos en la durabilidad de nuestros tejidos, que ofrecemos una garantía de 10 años (detalles completos disponibles).

Tenga en cuenta que el rendimiento de la costura depende de la construcción de la costura, además de la aguja y del tipo de roscas. Le recomendamos que se aconsejen para coser la costura.

Las variaciones de lote a lote en la sombra se puede producir dentro de tolerancias comerciales. Nos reservamos el derecho a efectuar modificaciones técnicas sin previo aviso. Los derechos sobre los diseños no registrados y los derechos de autor en todos los diseños son propiedad exclusiva de Camira Fabrics Limited.

Year guarantee

Synergy Quilt is a wide width, quilted version of our soft-handle wool blend fabric, Synergy. Foam backing and wadding form the density of the quilt, with lighter shades being stitched in white thread and darker shades stitched in black thread, to create Channel, Chevron or Hourglass patterns.

We have partnered with Just A Drop, the international water aid charity, and for every metre of fabric we sell, we will make a donation to a specific project around the world, helping to provide clean and safe water to those in need.

Technical information

UK

Industry Application
Workplace, Education

Composition

95% Virgin Wool, 5% Polyamide with Polyester and Polyurethane foam backing

Width

165 cm minimum

Weight

700 g/m² ±10% (1155 g/lin.m ±10%)

Stitch Repeat

5 cm ±5%

Abrasion Resistance*

5 year guarantee. Independently certified to ≥100,000 Martindale cycles.

Flammability

EN 1021 - 1 (cigarette)
EN 1021 - 2 (match)
BS 7176 Low Hazard

Note: Flammability performance is dependent on components used. Our certificates show what substrates have been used in our tests. For composite tests customers must ensure their complete furniture meets the necessary standards.

Light Fastness

5 (ISO 105 - B02)

Fastness to Rubbing

Wet: 4, Dry: 4 (ISO 105 - X12)

Cleaning

Vacuum regularly. Professionally dry clean or wipe clean with a damp cloth.

*Abrasion testing produces a wide variability of results even from the same test sample. The independent certificate of ≥100,000 cycles is available on our website or from our customer service team. Internally we specify this product at >80,000 cycles which we believe is realistic for repeatability of testing. Please be aware that abrasion testing alone is not a reliable indicator of the actual wear performance of fabrics. We're so confident in the durability of our products that we provide a robust 5 year guarantee (full details available).

Please note that seam performance is dependent on seam construction and needle and thread type. We recommend that appropriate sewing advice be taken.

Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

Scheuerfestigkeit*

5 Jahre Garantie. Extern zertifiziert mit ≥100,000 Scheuertouren Martindale.

Feuersicherung

EN 1021 - 1 (Zigarettestest)
EN 1021 - 2 (Streichholztest)
BS 7176 Low Hazard

Bemerkung: Die Schwerentflammbarkeit hängt von den verwendeten Komponenten ab. Unsere Zertifikate zeigen auf, welche Substrate bei den Tests verwendet wurden. Bei Verbundtests muss sichergestellt sein, daß das komplette Möbel den entsprechenden Standards entspricht.

Lichtechtheit

5 (ISO 105 - B02)

Reibechtheit

Nass: 4, Trocken: 4 (ISO 105 - X12)

Reinigung

Regelmässig absaugen. Professionelle Trockenreinigung. Alternativ dazu mit einem feuchten Tuch abwischen.

*Die Scheuerfestigkeitsprüfung ergibt selbst bei gleichen Testmustern stark abweichende Ergebnisse. Das Zertifikat eines unabhängigen Prüfinstitutes über ≥100,000 Scheuertouren erhalten Sie von unserem Vertriebsinnendienst oder auf unserer Webseite. Intern spezifizieren wir dieses Produkt mit >80,000 Scheuertouren, die in der Serienfertigung als realistisch angenommen werden. Bitte nehmen Sie zur Kenntnis, dass die Scheuerfestigkeitsprüfung allein keine Aussagekraft über die Langlebigkeit eines Bezugsstoffes hat. Wir sind von der Langlebigkeit unserer Produkte überzeugt und bieten daher 5 Jahre Garantie (Details auf Anfrage).

Eine optimale Nahtausreissfestigkeit hängt von der Nahtfahne, der verwendeten Nadel und dem Näh-Garn ab. Wir empfehlen daher Nähversuche durchzuführen.

Handelsübliche Farbabweichungen können auftreten und berechtigen nicht zur Reklamation. Wir behalten uns die Änderung technischer Spezifikationen vor. Die registrierten und nicht registrierten Urheberrechte der Dessinierungen sind ausschliessliches Eigentum der Camira Fabrics Limited.
